WHEREAS:

(i) On 02/02/2017, MB and Blue Stone Participações S.A. ("Blue Stone") entered into a Voting Agreement at the Alignment Meeting and Other Covenants, subsequently amended on 05/04/2017 ("Blue Stone Voting Agreement"), which had the purpose of establishing the terms and conditions of the association between MB and Blue Stone in the event that Blue Stone became a direct shareholder of Bionexo do Brasil S.A. ("Bionexo Brasil") and partner of Sabar Empreendimentos e Participações Ltda. ("Sabar"), companies of the same economic group as the Company, of which a draft shareholders' agreement was a part, which should be in force from the moment Blue Stone became a shareholder of Bionexo Brasil;

(ii) the conditions set forth in the Blue Stone Voting Agreement were implemented and Blue Stone became a shareholder of Bionexo Brasil and a partner of Sabar, so that, since that date, the parties have been subject to the shareholders' agreement, even though it is an Exhibit to the Blue Stone Voting Agreement;

(iii) after Blue Stone entered the capital stock of Bionexo Brasil, MB and Blue Stone carried out reorganization acts, consisting of the concentration of their equity interests in a single investment vehicle, of which the merger of Sabar and Blue Stone by Bionexo Brasil and the merger of shares of Bionexo Brasil by Bionexo Internacional Empreendimentos e Participações S.A. ("Bionexo Internacional") stand out;

(iv) as a result of the merger of Bionexo Brasil shares into Bionexo Internacional, Bionexo Internacional became the vehicle of the MB and Prisma Bazar association, so that the shareholders' agreement was originally entered into within the scope of this company, according to the content provided for in the Exhibit to the Blue Stone Voting Agreement;

(v) on 08/31/2018, MB and Prisma Bazar, as parties, and Bionexo Internacional, as consenting intervenor, entered into the "Shareholders' Agreement of Bionexo Internacional Empreendimento e Participações S.A.", as amended on 10/01/2018, and 02/20/2019 ("Shareholders' Agreement");

(vi) without prejudice to the provisions of the previous recital, certain acts, originally provided for therein, have already been performed, so that, for this reason, they were not reproduced in the Shareholders' Agreement, without this implying any modification in relation to the original content;

(vii) the Company incorporated Bionexo Internacional, becoming the successor of Bionexo Internacional and subrogating itself to all the rights and obligations of Bionexo Internacional, so that the Shareholders' Agreement began to regulate the corporate relations between MB and Prisma as shareholders of the Company;

(viii) the Company received relevant foreign investments as of 2019, with the entry of Orjen Investments Pte. Ltd. ("Temasek") and BNXO BCTO Fundo de Investimento em Participações MultiEstratégia no Exterior – Responsabilidade Limitada ("Bain Capital") to the Company's capital stock;

(ix) on 11/23/2021, Bain Capital, Temasek, Apus and Prisma Bazar, as parties, and the Company, as consenting intervenor, entered into the "Shareholders' Agreement", as amended ("Shareholders' Agreement with Bain"), which established their respective rights and obligations as shareholders of the Company, including provisions on voting rights, transfer of shares, management and conduct of the Company's business, as well as other related matters, without prejudice to the validity, effectiveness and continuity of the provisions set forth in this Shareholders' Agreement;

(x) on 11/23/2021, Temasek, Apus, MB and Prisma Bazar, as parties, and the Company, as consenting intervenor, entered into the "Voting Agreement", as amended ("Voting Agreement"), which now regulates their respective rights and obligations, as shareholders of the Company, especially with regard to the joint exercise of their voting rights, as a block, at the Company's Shareholders' Meetings and at the Meetings of the Company's Board of Directors.

(xi) on this date, Bain Capital, Temasek and the Shareholders, as parties, and Bionexo, as consenting intervenor, entered into the "First Amendment to the Shareholders' Agreement", the first amendment to the Shareholders' Agreement with Bain ("First Amendment to the Shareholders' Agreement with Bain"), to reflect Bain Capital's performance as controlling shareholder and which guaranteed Temasek and the Shareholders, as a block of minority shareholders of the Company, the right to appoint, jointly, at least four (4) members of the Company's Board of Directors as long as the minority shareholders hold, directly or indirectly, shares representing at least ten percent (10%) of the Company's total issued and outstanding shares;

(xii) on this date, Temasek and the Shareholders, as parties, and Bionexo, as consenting intervening party, entered into the "First Amendment to the Voting Agreement", to reflect the performance of the Company's minority shareholders block and to amend their respective rights and obligations due to the execution of the First Amendment to the Shareholders' Agreement with Bain;

(xiii) on this date, Bain Capital subscribed new common shares, registered and without par value, issued by the Company, to be paid in by April 6, 2026, now holding the majority of the Company's outstanding shares; and Prisma PE subscribed new common shares, registered and without par value, issued by the Company, to be paid in by April 6, 2026, becoming the holder of shares representing the Company's capital stock;

(xiv) on this date, (a) Apus holds eleven million, seven hundred and twenty-eight thousand, seven hundred and thirty-four (11,728,734) registered common shares with no par value issued by the Company, representing four point fourteen percent (4.14%) of its total and voting capital stock; (b) MB holds eleven million, three hundred and seventy-eight thousand, five hundred and forty-four (11,378,544) registered common shares with no par value issued by the Company, representing four point zero one percent (4.01%) of its total and voting capital stock; (c) Prisma Bazar holds forty-three million, eight hundred and twenty-two thousand, eight hundred and forty-five shares (43,822,845) registered common shares with no par value issued by the Company, representing fifteen point forty-six percent (15.46%) of its total and voting capital stock; and (d) Prisma PE holds fourteen million, one hundred and one thousand, nine

hundred and one shares (14,101,901) registered common shares with no par value issued by the Company, representing four point ninety-seven percent (4.97%) of its total and voting capital stock;

(xv) the Shareholders intend to formalize the entry of Prisma PE and MB into the Shareholders' Agreement, as well as to renegotiate the rule for nomination to the Company's Board of Directors and the rules of the Preliminary Meeting by amending Sections 3.2 and 4.5 and their respective sub-sections of the Shareholders' Agreement;

RESOLVE, pursuant to Article 118 of Law No. 6,404/1976 ("Brazilian Corporation Law"), to enter into this Fourth Amendment to the Shareholders' Agreement of Bionexo S.A. ("4th Amendment"), in accordance with the sections and conditions set forth below.
