***5.6.2** The Dragging Shareholder shall provide the other Shareholder(s), as applicable, with a written notice ("**Drag-Along Notice**"), which must contain the relevant information about the Drag Along Offer. Any change to the price and other*

material conditions set forth in the Drag-Along Notice during the term elapsed between the delivery of such Drag-Along Notice and the completion of the related transaction shall be characterized as a new and separate offer, which shall be solely completed after a new Drag-Along Notice sent by the Dragging Shareholder to the other Shareholder(s), as applicable.

5.6.3 *Upon receipt of the Drag-Along Notice, the recipient Shareholder(s), as applicable, will be irrevocably and irreversibly obligated to dispose of all (and not less than all) of its respective Shares under the conditions of the Transfer by the Dragging Shareholder. In the event the Transfer of Shares is not concluded within such 90 (ninety) days period (or as extended inasmuch as required by any relevant Governmental Authority), the Transfer of the Shares shall be considered a new and separate Transfer, a new Drag Along Notice will be required and the procedures set forth in this Section 5.6 shall be observed.*

5.6.4 *Furthermore, the Dragging Shareholder agree that prior to invoking any Drag Along Rights, the Dragging Shareholders shall discuss such proposed transaction and any related negotiations with the other Shareholder(s), as applicable, in good faith and reasonably consider any suggestions in respect thereof, provided that such discussions and negotiations shall not affect, alter or delay, in any manner, the time frame set forth in Sections 5.4, 5.5 or 5.6."*

2.11 The Shareholders decide to delete Section 12.3 – Judicial Remedies in its entirety in order to avoid any potential conflicts with Section 15.9 – Dispute Resolution.

None of the Shareholders shall, at any time, Transfer, in whole or in part, their Shares to a Competing Entity or an Affiliate of a Competing Entity or an entity Controlling a Competing Entity while this Agreement is in place.

5.4 Right of First Offer

5.4.1 Subject to the provisions of Section 5 and except as provided for in Section 5.4.7, in the event any of the Shareholders ("**Offering Shareholder**") wishes to Transfer (other than in a Permitted Transfer) all or any portion of its Shares ("**Offered Shares**"), including pursuant to an unsolicited proposal, the Offering Shareholder shall give prior written notice to that effect ("**Notice**

for Offer of Shares") to all Shareholders ("**Offered Shareholders**"). The Notice for Offer of Shares shall set forth: (i) the number and characteristics of the Offered Shares; (ii) the *pro rata* participation of the Offered Shares in the total capital stock of the Company; (iii) the proposed cash purchase price in Brazilian currency (the "**Offer Price**"), and (iv) the other terms and conditions of the proposed transfer. The Notice for Offer of Shares shall constitute a firm and binding offer on the part of the Offering Shareholder to sell the Offered Shares to the Offered Shareholders at the Offer Price and upon the same offer terms and conditions of the Transfer set forth in the Notice of Offer of Shares, or upon such other terms and conditions as may be agreed upon by the Offering Shareholder and the Offered Shareholders which engage in negotiations with the Offering Shareholder pursuant to the relevant Notice for Offer of Shares. Upon receipt of the Notice for Offer of Shares, each Offered Shareholder holding, directly or indirectly, at least ten percent (10%) of the total issued and outstanding shares of the Company shall have the right to, within fifteen (15) days ("**ROFO Deadline**"), elect to purchase all, but not less than all, of the Offered Shares (and the Tag-Along Shares) at the Offer Price and on the same terms and conditions of the Transfer set forth in the Notice for Offer of Shares or upon such other terms and conditions as may be agreed upon by the Offering Shareholder and each of the Offered Shareholders which engage in negotiations with the Offering Shareholder pursuant to the relevant Notice for Offer of Shares, by delivery of written notice to the Offering Shareholder ("**ROFO Notice**") on or prior to the expiration of the ROFO Deadline (each Shareholder so timely delivering a ROFO Notice, an "**Electing Shareholder**") ("**Right of First Offer**").

5.4.2 In the event there is more than one Electing Shareholder, the Offered Shares shall be allocated among the Electing Shareholders on a pro rata basis in accordance with the relative percentage interests of the Electing Shareholders (which shall be calculated by including in the denominator only the Shares held by the Electing Shareholders) as of the date of the Notice for Offer of Shares.

5.4.3 The closing of the purchase and sale of the Offered Shares by the Offering Shareholder to each Electing Shareholder shall be held at the principal office of the Company within sixty (60) days of the last day of the ROFO Deadline (regardless of when the ROFO Notice is actually delivered prior to the ROFO Deadline) ("**ROFO Closing Date**"), such period to be automatically extended to the extent such closing is pending only the approval by Brazil's Administrative Council for Economic Defence ("**CADE**") or any other relevant Governmental Authority inasmuch as required by CADE or by any other relevant Governmental Authority. At and prior to such closing, the Company and all of the parties to such purchase and sale of the Offered Shares and their respective Affiliates shall use their best efforts to obtain all necessary consents from all Third Parties, execute such documents and take such other actions as may be necessary to effectuate the closing of the purchase and

sale of the relevant Offered Shares. At such closing, the Offering Shareholder shall deliver an agreement for the purchase and sale of the Offered Shares (in compliance with the same terms and conditions of the Notice for Offer of Shares or upon such other terms and conditions as may be agreed upon by the Offering Shareholder and the relevant Electing Shareholder) duly executed, and accompanied by all requisite and due transfer taxes, if any, and such Offered Shares shall be free and clear of any Liens and the Offering Shareholder shall so represent and warrant to the Electing Shareholders. At such closing the Electing Shareholders shall deliver payment (in full in immediately available funds) for the Offered Shares purchased by such Electing Shareholder.

5.4.4 The express decline of the Right of First Offer or failure by an Offered Shareholder to deliver a ROFO Notice by the ROFO Deadline shall be deemed an irrevocable waiver by such Offered Shareholder of its Right of First Offer (only in connection with such Transfer). In case of such waiver by all (but not less than all) of the Offered Shareholders, or if the closing of the sale of the Offered Shares to the Electing Shareholders is not consummated by the ROFO Closing Date for a reason other than the default by the Offering Shareholder or the pending approval by the Brazil's CADE or any other relevant Governmental Authority, the Offering Shareholder shall be free (subject to the terms and conditions of Sections 5.4.5 and 5.5 hereof and to the other provisions of this Agreement), as from the end of the Tag Along Deadline and for a period of one hundred twenty (120) days (which shall be extended to the extent such closing is pending only the approval by CADE or any other relevant Governmental Authority) from the Tag Along Deadline (regardless of when the Tag Along Notice is actually delivered prior to the Tag-Along Deadline), to Transfer all, but not less than all, of the Offered Shares to any other Person (other than a Related Party of the Offering Shareholder) ("**Interested Person**") at or above the Offer Price (which shall be paid in cash) and upon terms and conditions equal or more favourable to the Offering Shareholder as those set forth in the Notice for Offer of Shares. If the Offering Shareholder does not Transfer prior to the expiration of such one hundred twenty (120)-day period, the Offering Shareholder shall not be permitted to effect any Transfer of the Offered Shares or any other Shares or other equity securities of the Company without again complying with Sections 5.4 and 5.5, if applicable.

5.4.5 In the event the Offering Shareholder decides to Transfer the Offered Shares to an Interested Person, which shall be in compliance with the foregoing, then, prior to the relevant Transfer, the Offering Shareholder shall send to the Offered Shareholders written notification of its decision to Transfer the Offered Shares attaching thereto all documents relating to such transaction with the Interested Person (including memorandum of understandings, term sheet, share purchase agreement and similar documents) with no omission, covering of or redacted information ("**Notice of Transfer of Shares**"). The

Offering Shareholder shall also provide to the Offered Shareholders any further information that the Offered Shareholders may reasonably request with respect to such Interested Person and such transaction. Upon receipt of a Notice of Transfer of Shares sent by the Offering Shareholder, the Offered Shareholders shall have the right to exercise the Tag Along Right provided for in Section 5.5.

5.4.6 Within three (3) Business Days of the closing of such Transfer to the Interested Person, the Offering Shareholder shall deliver to each Offered Shareholder a written certificate executed by the Offering Shareholder certifying as to the Offering Shareholders' compliance with Sections 5.4 and 5.5, including a true, accurate and complete summary of the terms and conditions of such Transfer.

5.4.7 In case the Shareholder Transfering Shares is either Apus or Prisma, the *direito de preferência* under Cláusula 6.4 or the *Direito de Primeira Oferta* under Cláusula 7ª of the Original Shareholders' Agreement under the terms in force as of October 14, 2021 shall apply before triggering any rights of the Shareholders in this Agreement, and (i) there shall be no rights of the Shareholders under this Agreement to the extent any of such *direito de preferência* or *Direito de Primeira Oferta* is exercised in full and (ii) the rights of the Shareholders under this Agreement shall only apply to the non-exercised part if the *direito de preferência* or *Direito de Primeira Oferta* is partially exercised. Nevertheless, the procedures, notifications and deadlines provided for in the Original Shareholders' Agreement and in this Agreement shall be observed and attended to concurrently, and any and all rights and obligations of the Shareholders provided for herein shall be duly complied with. In no event shall the established in this Section apply to a transfer of Shares to a third party (not Apus or Prisma). The rights of Apus and Prisma under this Agreement shall not be impaired by the existence of the Original Shareholders' Agreement and their rights therein.

5.5 Tag Along Right

5.5.1 If the Offering Shareholder decides to Transfer its Offered Shares to an Interested Person, pursuant to Section 5.4.4 above, then the Offered Shareholders shall have the right and the option, but not the obligation, to Transfer to the Interested Person, for the same Offer Price and under the same conditions offered to the Interested Person (as stated in the Notice of Transfer of Shares), the proportion of Shares held by the Offered Shareholder that corresponds to the proportion of total Shares of the Offering Shareholder to be Transferred to the Interested Person (e.g., if the Offering Shareholder wishes to Transfer fifty percent (50%) of the Shares it owns, then each Offered Shareholder may also Transfer to the Interested Person fifty percent (50%) of the Shares it owns) ("**Tag Along Shares**") ("**Tag Along Right**"). The Tag Along Notice (as defined below) shall be disregarded with respect to any particular Offered Shareholder, and the relevant purchase and

sale of the Tag Along Shares shall not be carried-out, in case any of the fundamental representations and warranties of such Offered Shareholder is proven false or incorrect as of the closing of the relevant transaction with the Interested Person.

5.5.2 The Tag Along Right shall be exercised in writing by each Offered Shareholder within twenty (20) Business Days after receipt by the relevant Offered Shareholder of the Notice of Transfer of Shares sent by the Offering Shareholder ("**Tag Along Notice**") ("**Tag-Along Deadline**"). The failure by an Offered Shareholder to deliver a Tag Along Notice by the Tag-Along Deadline shall be deemed a waiver by such Offered Shareholder of its Tag Along Right. In case the Interested Person is not interested in acquiring all of the Offered Shares (i.e. including the Offered Shares of the Tag Along Shares of the Offered Shareholders which have exercised the Tag Along Right), the sale and transfer of the Offered Shares by the Offering Shareholder to the Interested Person shall not be carried-out. Alternatively, any of the Offered Shareholders may decide to waive their Tag Along Rights, so that only the Offering Shareholder and the Offered Shareholders who have not waived their Tag Along Right shall carry out the sale and transfer to the Interested Person as described herein.

5.5.3 Any Transfer of the Offered Shares described in this Section 5.5 by the Offering Shareholder shall be concluded within one hundred and twenty (120) days as from the Tag-Along Deadline (regardless of when the Tag Along Notice is actually delivered prior to the Tag-Along Deadline). The period set forth herein to Transfer the Offered Shares shall be automatically extended in case the Transfer is pending only the approval by CADE or any other relevant Governmental Authority inasmuch as required by CADE or by any other relevant Governmental Authority. In the event the Transfer of Shares is not concluded within such one hundred and twenty (120)-day period (or as extended inasmuch as required by CADE or by any other relevant Governmental Authority, in case the Transfer is pending only the approval by CADE or any other relevant Governmental Authority), the procedures set forth in Sections 5.4 and 5.5 shall be observed again in case of a potential Transfer of Shares by a Shareholder.

5.6 Drag Along Right

5.6.1 In the event any Shareholder or group of Shareholders holding more than fifty percent (50%) plus one Shares receives an offer from a third party to Transfer all and not less than all of the Company's Shares ("**Dragging Shareholder**") (a) at least at the Minimum Price, if such event occurs before the 4th (fourth) anniversary of the Date of the Amendment; or (b) at any price per share if such event occurs on or after the 4th (fourth) anniversary of the Date of the Amendment; ("**Drag Along Offer**"), such Shareholder shall have the right to require that all, and no less than all, Shares held by the other Shareholder(s), as applicable, be included in the Transfer, provided that such

Transfer is held at the same price per Share, term, form of payment and other relevant conditions as provided in the Drag Along Offer ("**Drag Along Right"**). Notwithstanding the foregoing, for the avoidance of doubt, the Drag Along Right shall not apply to any transaction consisting solely of a merger (*incorporação*) of the Company into another entity, or of another entity into the Company, provided that no consideration is paid to the Shareholders other than shares or other equity interests of the surviving entity.

5.6.2 The Dragging Shareholder shall provide the other Shareholder(s), as applicable, with a written notice ("**Drag-Along Notice**"), which must contain the relevant information about the Drag Along Offer. Any change to the price and other material conditions set forth in the Drag-Along Notice during the term elapsed between the delivery of such Drag-Along Notice and the completion of the related transaction shall be characterized as a new and separate offer, which shall be solely completed after a new Drag-Along Notice sent by the Dragging Shareholder to the other Shareholder(s), as applicable.

5.6.3 Upon receipt of the Drag-Along Notice, the recipient Shareholder(s), as applicable, will be irrevocably and irreversibly obligated to dispose of all (and not less than all) of its respective Shares under the conditions of the Transfer by the Dragging Shareholder. The exercise of the Drag Along Right shall be concluded within 90 (ninety) days as of the date of the Drag Along Offer. The period set forth herein to Transfer the Shares shall be automatically extended in case the Transfer is pending only the approval by any Governmental Authority. In the event the Transfer of Shares is not concluded within such 90 (ninety) days period (or as extended inasmuch as required by any relevant Governmental Authority), the Transfer of the Shares shall be considered a new and separate Transfer, a new Drag Along Notice will be required and the procedures set forth in this Section 5.6 shall be observed.

5.6.4 Furthermore, the Dragging Shareholder agree that prior to invoking any Drag Along Rights, the Dragging Shareholders shall discuss such proposed transaction and any related negotiations with the other Shareholder(s), as applicable, in good faith and reasonably consider any suggestions in respect thereof, provided that such discussions and negotiations shall not affect, alter or delay, in any manner, the time frame set forth in Sections 5.4, 5.5 or 5.6.

5.7 **Public Offering Exception.** The provisions of this Section 5 shall not apply in the event of any Transfers or other transactions undertaken in relation to or in the context of an IPO of the Company, either prior, on or after such IPO. In the context of an IPO and once the Company is a listed company, any Shareholder may request to the other Shareholders to exclude all or a portion of the Shares held by the former Shareholder of this Agreement for purposes of inclusion of the relevant Shares in the IPO and, therefore, the Company shall update its corporate books and records accordingly, so as to allow such Shares to be included in the IPO, provided however that if the IPO does not occur within ninety (90) days as from the date in which the

15 Miscellaneous

15.1 Conflict with Original Shareholders' Agreement and termination of the Second Shareholders' Agreement

15.1.1 In case of conflict between this Agreement, the Voting Agreement, the Original Shareholders' Agreement and/or any other agreement, instrument or arrangement entered into by any of the Parties in connection with the matters contemplated herein, the provisions of this Agreement shall prevail, with due regard to Section 2.3.2 above.

15.1.2 The parties thereto confirm that the Second Shareholders' Agreement has been terminated and that in no event shall the Shareholders enter into any other shareholders' agreement than the Original Shareholders' Agreement and this Agreement.

15.2 Filing with the Company's Head Offices

A copy of this Agreement shall be filed by the Company at the Company's head office and the head offices of the Subsidiaries, for the purposes of article 118 of the Brazilian Corporation's Law. The Company shall record the following wording in its registered shares book (*livro de registro de ações*) and keep such record duly updated:

"The Shareholder holding these shares is a party to the Shareholders' Agreement, in force as from November 23, 2021, which is duly filed at the company's headquarters, for all purposes of article 118 of Law 6,404/76 (as amended)."

15.3 Entire agreement

This Agreement together with its Schedules and the Bain's Investment Agreement shall constitute the entire agreement among the Shareholders and/or the Company (and/or their respective Affiliates) and shall, unless and to the extent this Agreement otherwise expressly provides, supersede and replace all previous agreements, understandings, arrangements and negotiations, verbal or written, among the Shareholders and/or the Company (and/or their respective Affiliates) with respect to the subject matter hereof (except for the Bain's Investment Agreement).

15.4 Severability and survival of contractual Sections

15.4.1 If any of the provisions of this Agreement is found by a court or any other competent authority to be invalid, illegal or unenforceable, such provision shall be deemed to have been deleted from this Agreement and the remaining provisions of this Agreement shall remain in full force and effect. In such event, the Shareholders shall thereupon negotiate in good faith in order to agree upon the terms of a satisfactory provision, which shall substitute the provision so found to be invalid, illegal and/or unenforceable.

15.4.2 When negotiating, the Shareholders shall endeavour to agree upon a provision which shall be as close as possible to the original intentions of the Shareholders. In the event that the Shareholders cannot agree upon such a

new provision, the invalidity, illegality or unenforceability of one or more provisions of this Agreement shall not affect the validity or enforceability of this Agreement as a whole, unless the invalid, illegal or unenforceable provision was of such essential importance to this Agreement that it is to be reasonably assumed, that the Shareholders would not have entered into this Agreement without such invalid, illegal or unenforceable provisions.

15.5 Waiver

The failure of any signatory hereof at any time to enforce any provision of this Agreement shall not in any way affect its rights to require performance thereof, nor shall the waiver of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of any such provision or as a waiver of the provision itself. No waiver of any breach of any provision hereof shall be binding upon any signatory hereof unless confirmed in writing by the waiving Person.

15.6 Assignment

This Agreement and any rights hereunder shall not be assignable by a Shareholder unless:

15.6.1 to a Controlled Affiliate to such Shareholder, to an Affiliate Controlled by the Controlling Person of such Shareholder or to the Controlling Person of such Shareholder, provided that (i) such assignee Affiliate agrees to be bound to this Agreement and adheres in writing to this Agreement, declaring, for all legal purposes, to accept, without reservation, all terms and conditions herein; (ii) assignor and assignee(s) agree to act as a single block vis-à-vis the other Shareholders; (iii) the assigning Shareholder will be jointly and severally liable for the performance of all the obligations of such assignee Affiliate under this Agreement; and (iv) if, at any time after such assignment, such Affiliate ceases to be an Affiliate of the assignor Shareholder, such Affiliate shall forthwith assign its rights back to such assignor Shareholder or any designated Affiliate of such assignor Shareholder, as the case may be; or

15.6.2 as expressly provided herein in writing (including in connection with a Transfer permitted herein) or as consented to in writing by all other Shareholders.

15.7 Amendment

15.8 Governing Law

This Agreement and the documents to be entered into pursuant to it shall be governed by and construed in accordance with Brazilian Law.

The emergency arbitrator provisions shall not apply. Management and accurate development of the arbitration proceeding shall be incumbent upon the international Arbitration Court of the International Chamber of Commerce – ICC ("**ICC**") and the following provision shall be observed in this regard.

15.9.2 The arbitration tribunal shall consist of three (3) arbitrators fluent in both English and Portuguese (written and spoken), who shall be and remain independent and impartial in connection with the scope of the arbitration and the parties to the procedure. The arbitrators shall be appointed in accordance with the Arbitration Regulation ("**Arbitration Tribunal**").

15.9.3 The arbitration shall take place in the City of São Paulo, State of São Paulo, Brazil, where the arbitral award shall be issued. The arbitration shall be confidential, except for the situations provided for in statute or in light of the need to protect the right of a party involved in the arbitration.

15.9.4 The arbitration proceeding shall be conducted in English, but hearings can have simultaneous translation into Portuguese, at the sole expense of the party which requested such translation. The evidence may be produced in Portuguese without the need for translation into English.

15.9.5 The arbitration award shall be rendered in the Brazilian territory and be final and binding upon the parties to the Dispute and their respective successors on any account. The parties elect the courts of the City of São Paulo, State of São Paulo, Brazil, with express waiver of any other, regardless of being more privileged, exclusively to: (i) the action provided for in article 33 of Law No. 9,307/96; (ii) the action provided for in articles 381 to 383 of the Brazilian Code of Civil Procedure; (iii) any disputes that, under Brazilian Law, cannot be settled by arbitration. The parties agree that (i) provisional and/or urgent measures prior to the constitution of the Arbitral Tribunal, subject to the provisions of articles 22-A and 22-B of Law No. 9,307/96, (ii) the recognition and enforcement of any decision or award rendered by the Arbitral Tribunal; and (iii) the foreclosure of any obligation set down by this Agreement that is directly enforceable in accordance with the applicable Law may be filed, when applicable, upon the option of the interested party, (a) to the courts of the City of São Paulo, State of São Paulo, Brazil; or (b) to the courts with jurisdiction over the parties and/or their assets.

15.9.6 The arbitrators shall decide based exclusively on the Laws of Brazil. The issuance of decisions on the basis of equity shall be expressly prohibited.

15.9.7 In case this Agreement or any of its provisions is deemed invalid, illegal or unenforceable by any court, the validity, legality or enforceability of this arbitration clause shall not be affected or impaired. These provisions on dispute resolutions shall remain in full force and effect until the conclusion of all issues or judicial proceedings potentially resulting from this document. Except for the contractual fees of the respective attorneys, which fees shall be borne by each of the parties involved in the dispute individually, all other arbitration cost and expenses shall be allocated to the parties to the arbitration by the Arbitral Tribunal in the arbitral award.

15.10 Language and counterparts

This Agreement was prepared in the English language in four (4) identical counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

15.11 Agent for Service of Process. Temasek hereby appoints the following representatives as their respective agents for service of process in Brazil, with powers and authority to receive service of process in any suit or proceeding based on or arising under this Agreement.

Temasek: Ramon Fernandez Aracil Filho and Bruno de Luca Zanatta.
