In case of conflict between Prisma and Apus, including those arising from the Original Shareholders' Agreement, the Shareholders shall take any and all measures to ensure that the rights of Temasek provided herein shall prevail.

10.1.2 In case of conflict between this Agreement and the Original Shareholders' Agreement the provisions of this Agreement shall prevail, with due regard to Section 2.2.2 above.

10.2 Filing with the Company's Head Offices

A copy of this Agreement shall be filed by the Company at the Company's head office and the head offices of the Subsidiaries, for the purposes of article 118 of the Brazilian Corporation's Law. The Company shall record the following wording in its registered shares book (*livro de registro de ações*) and keep such record duly updated:

"The Shareholder holding these shares is a party to the Voting Agreement, in force as from November 23, 2021, which is duly filed at the company's headquarters, for all purposes of article 118 of Law 6,404/76 (as amended)."

10.3 Entire agreement

This Agreement together with its schedules shall constitute the entire agreement among the Shareholders and/or the Company (and/or their respective Affiliates) and shall, unless and to the extent this Agreement otherwise expressly provides, supersede and replace all previous agreements, understandings, arrangements and negotiations, verbal or written, among the Shareholders and/or the Company (and/or their respective Affiliates) with respect to the subject matter hereof (except for the Temasek's Investment Agreement).

10.3.1 The Parties acknowledge that the Original Shareholders' Agreement is in full force and effect, and in the event of any conflict between the provisions of Original Shareholders' Agreement and of this Agreement, the provisions of this Original Shareholders' Agreement shall prevail for any and all purposes.

10.4 Severability and survival of contractual Sections

10.4.1 If any of the provisions of this Agreement is found by a court or any other competent authority to be invalid, illegal or unenforceable, such provision shall be deemed to have been deleted from this Agreement and the remaining provisions of this Agreement shall remain in full force and effect. In such event, the Shareholders shall thereupon negotiate in good faith in order to agree upon the terms of a satisfactory provision, which shall substitute the provision so found to be invalid, illegal and/or unenforceable.

10.4.2 When negotiating, the Shareholders shall endeavour to agree upon a provision which shall be as close as possible to the original intentions of the Shareholders. In the event that the Shareholders cannot agree upon such a new provision, the invalidity, illegality or unenforceability of one or more provisions of this Agreement shall not affect the validity or enforceability of this Agreement as a whole, unless the invalid, illegal or unenforceable provision was of such essential importance to this

Agreement that it is to be reasonably assumed, that the Shareholders would not have entered into this Agreement without such invalid, illegal or unenforceable provisions.

10.5 Waiver

The failure of any signatory hereof at any time to enforce any provision of this Agreement shall not in any way affect its rights to require performance thereof, nor shall the waiver of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of any such provision or as a waiver of the provision itself. No waiver of any breach of any provision hereof shall be binding upon any signatory hereof unless confirmed in writing by the waiving Person.

10.6 Assignment

This Agreement and any rights hereunder shall not be assignable by a Shareholder unless:

10.6.1 to a Controlled Affiliate to such Shareholder, to an Affiliate Controlled by the Controlling Person of such Shareholder or to the Controlling Person of such Shareholder, provided that (i) such assignee Affiliate agrees to be bound to this Agreement and adheres in writing to this Agreement, declaring, for all legal purposes, to accept, without reservation, all terms and conditions herein; (ii) assignor and assignee(s) agree to act as a single block vis-à-vis the other Shareholders; (iii) the assigning Shareholder will be jointly and severally liable for the performance of all the obligations of such assignee Affiliate under this Agreement; and (iv) if, at any time after such assignment, such Affiliate ceases to be an Affiliate of the assignor Shareholder, such Affiliate shall forthwith assign its rights back to such assignor Shareholder or any designated Affiliate of such assignor Shareholder, as the case may be; or

10.6.2 as expressly provided herein in writing (including in connection with a Transfer permitted in the Bain Shareholders' Agreement) or as consented to in writing by all other Shareholders.

10.7 Amendment

No amendment to any of the terms or conditions set forth in this Agreement shall be of any effect unless it is made in writing and signed by each of the Shareholders, unless otherwise expressly set forth in this Agreement.

10.8 Governing Law

This Agreement and the documents to be entered into pursuant to it shall be governed by and construed in accordance with Brazilian Law.

10.9 Dispute Resolution

The emergency arbitrator provisions shall not apply. Management and accurate development of the arbitration proceeding shall be incumbent upon the international Arbitration Court of the International Chamber of Commerce – ICC ("**ICC**") and the following provision shall be observed in this regard.

10.9.2 The arbitration tribunal shall consist of three (3) arbitrators fluent in both English and Portuguese (written and spoken), who shall be and remain independent and impartial in connection with the scope of the arbitration and the parties to the procedure. The arbitrators shall be appointed in accordance with the Arbitration Regulation ("**Arbitration Tribunal**").

10.9.3 The arbitration shall take place in the City of São Paulo, State of São Paulo, Brazil, where the arbitral award shall be issued. The arbitration shall be confidential, except for the situations provided for in statute or in light of the need to protect the right of a party involved in the arbitration.

10.9.4 The arbitration proceeding shall be conducted in English, but hearings can have simultaneous translation into Portuguese, at the sole expense of the party which requested such translation.

10.9.5 The arbitration award shall be rendered in the Brazilian territory and be final and binding upon the parties to the Dispute and their respective successors on any account. The parties elect the courts of the City of São Paulo, State of São Paulo, Brazil, with express waiver of any other, regardless of being more privileged, exclusively to: (i) the action provided for in article 33 of Law No. 9,307/96; (ii) the action provided for in articles 381 to 383 of the Brazilian Code of Civil Procedure; (iii) any disputes that, under Brazilian Law, cannot be settled by arbitration. The parties agree that (i) provisional and/or urgent measures prior to the constitution of the Arbitral Tribunal, subject to the provisions of articles 22-A and 22-B of Law No. 9,307/96, (ii) the recognition and enforcement of any decision or award rendered by the Arbitral Tribunal; and (iii) the foreclosure of any obligation set down by this Agreement that is directly enforceable in accordance with the applicable Law may be filed, when applicable, upon the option of the interested party, (a) to the courts of the City of São Paulo, State of São Paulo, Brazil; or (b) to the courts with jurisdiction over the parties and/or their assets.

10.9.6 The arbitrators shall decide based exclusively on the Laws of Brazil. The issuance of decisions on the basis of equity shall be expressly prohibited.

10.9.7 In case this Agreement or any of its provisions is deemed invalid, illegal or unenforceable by any court, the validity, legality or enforceability of this arbitration clause shall not be affected or impaired. These provisions on dispute resolutions shall remain in full force and effect until the conclusion of all issues or judicial proceedings potentially resulting from this document. Except for the contractual fees of the respective attorneys, which fees shall be borne by each of the parties involved

in the dispute individually, all other arbitration cost and expenses shall be allocated to the parties to the arbitration by the Arbitral Tribunal in the arbitral award.

10.10 Language and counterparts

This Agreement was prepared in the English language in four (4) identical counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.
